- Trees or shrubs must meet select requirements PLUS;
- Continue growing plants in **ROOTMAKER®** Containers or Knit Fabric Containers in cinder blocks or in the field.

ROOTMAKER® CERTIFIED PLATINUM

- Trees or shrubs must meet gold requirements PLUS;
- Be grown or finished in **ROOTTRAPPER®** or **ROOTBUILDER®** above ground containers.

Qualifications:

To Qualify as **ROOTMAKER® CERTIFIED PLANTS:**

*******Plants have never been in Plug Trays*******

*******Plants have never been in Smooth Conventional Containers*******

*******Plants have never been Damaged by Toxic Levels of Copper*******

The **ROOTMAKER® GROWER ENHANCEMENT PROGRAM** is open to commercial plant production nurseries or tree farms, whose primary business is providing top quality plant material to another nursery, landscape contractor, or the general public via retail garden centers.

Cooperating nurseries and tree farms agree to follow best management practices available in other aspects of plant growth and health. **RootMaker® Products Company** will make available a list of best management practices for anyone seeking assistance.
